Item 1:                    **Attachment 1:** Response to Bidder Questions

Alex Buckles  
Purchasing & Supplier Diversity Manager

Bidders Question:		McCormick Place   ASM Global Response:
1	<b>Hardware only no license requirements provided. Do you know if Fire Power Licenses is needed? Or any other licensing?</b>	Probably hardware only, we're looking for a standard FW, that is capable to do DHCP for a class C vlan, NATting 1:1 and basic ACLs with management port.
2	<b>Do you want a quote for Installation and Configurations? If yes...do you have a current configuration that can be shared or a high level overview?</b>	No installation required.
3	<b>Hardware only no license requirements needed?</b>	Probably hardware only, we're looking for a standard FW, that is capable to do DHCP for a class C vlan, NATting 1:1 and basic ACLs with management port.
4	<b>Is there an existing EA in place for the licensing?</b>	No
5	<b>No management console requested?</b>	We should have management console.
6	<b>Will McCormick install hardware on site or require vendor on site?</b>	McCormick will install hardware on site
7	<b>Assumption is remote installation services, if on site please confirm requirement.</b>	No installation required.
8	<b>Can you provide the current firewall config for pricing professional services to support install?</b>	No installation required.
