SECTION I. POLICY STATEMENT AND TERMS

In accordance with the Metropolitan Pier and Exposition Authority Act, 70 ILCS 210/1 et. seq., Section 23.1(b) (hereinafter referred to as "Act"); the Authority has adopted and maintains a Business Diversity Program. Goals established pursuant to the adoption of such a program include the award of not less than 25% of the annual dollar value of all contracts, purchase orders, or other agreements (collectively referred to as "contracts") to minority owned businesses (MBE) and 5% of the annual dollar value of all contracts to women owned business enterprises (WBE).

It is the policy of the Authority that a Contractor take affirmative steps to ensure that minority and women owned businesses have the maximum opportunity to compete for and perform subcontracts for the supply of goods and services. Further, no contractor shall discriminate against any person or business on the basis of race, color, religion, ancestry, age, marital status, physical or mental disability, military discharge status, parental status, sexual orientation, national origin, sex or any other protected status in connection with the purchase of goods and services or the subcontracting of work required by an agreement awarded by the Authority.

- m.** "Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal in accordance with Section VIII(b).
- n.** "Joint Venture" means an association of at least one MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each Joint Venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the Joint Venture are commensurate with its ownership interest.
- o.** "Manufacturer" means a person or firm engaged in the process of making, fabricating, constructing, forming or assembling a product(s) from raw, unfinished, semi-finished or finished materials through a direct contract with the Design-builder, Subcontractor, or supplier.

SECTION III. CERTIFICATION

ASM GLOBAL neither certifies nor decertifies a firm's MBE or WBE status. Rather, it accepts the current certifications of other agencies whose policies and procedures are consistent with the requirements of Section 23.1(b) of the Act. ASM GLOBAL presently accepts certifications from the City of Chicago, Chicago Minority Business Development Council, County of Cook, Women's Business Development Center through a partnership with the Women's Business Enterprise National Council, and the State of Illinois through its Central Management Services Division. Other certifications will be reviewed on a case-by-case basis. To be eligible for credit towards meeting the MBE and WBE goals, a firm must be certified by the time of contract award.

ASM GLOBAL does not make any representation concerning the ability of any MBE or WBE to perform work within the firm's Area of Specialty. It is the responsibility of all Contractors to determine the capability and capacity of MBEs and WBEs to satisfactorily perform the work proposed.

Bidder or Proposer must confirm that neither it nor any of its proposed subcontractors have been decertified by any of the certifying agencies listed above. If an MBE or WBE firm loses its certification from any of the certifying agencies above during the contract term, the Contractor and the MBE or WBE must immediately notify ASM GLOBAL. ASM GLOBAL has the right to demand the substitution by a certified MBE or WBE or take other appropriate action.

SECTION IV. CONTRACT GOALS

ASM GLOBAL has established the following Contract Specific Goals for this contract:

MBE PERCENTAGE	WBE PERCENTAGE
25%	5%

These goals shall apply to the contract, unless Bidder or Proposer requests an appropriate waiver at the time of the submission of the Bid or Proposal and such request is granted in writing by ASM GLOBAL. Firms that are MBE or WBE that can perform 100% of the requested services will be waived of the diversity goals, however if subcontracting is required then the MBE or WBE firm will have to meet the aforementioned diversity goals.

SECTION V. OBLIGATIONS OF BIDDERS AND PROPOSERS

- a.** Each Bidder or Proposer must commit to utilize MBE and WBE firms to meet the goals stated above relative to the total contract price (inclusive of any and all modifications and amendments). Evidence of such commitment shall be the responsibility of the Bidder or Proposer. MBE and WBE commitments may be met by one or a combination of the following:
 - 1.** Bidder or Proposer status as a certified MBE or WBE firm;
 - 2.** Subcontracting part of the work to one (1) or more certified MBE or WBE firms; or
 - 3.** A joint venture as prime contractor with one (1) or more certified MBE or WBE firms to the extent of the MBE and WBE participation in such joint venture; or

4. Purchasing materials or supplies used in performing the contract from one (1) or more certified MBE or WBE firms.
- b. Bidders or Proposers that are unable to meet the goals set forth in Section IV above must request a waiver or reduction at the time of Bid or Proposal submission and demonstrate Good Faith Efforts pursuant to Section VIII(b) herein;
- c. Bids or Proposals may be rejected as non-responsive if:
1. Bids or Proposals do not include a detailed MBE or WBE commitment or a request for a waiver accompanied by evidence of Good Faith Efforts;
 2. Bidder or Proposer fails to cooperate with ASM GLOBAL requests regarding MBE or WBE participation efforts; or
 3. False or misleading statements are made regarding MBE or WBE participation.
 4. Bidders or Proposers are encouraged to contact the Purchasing Manager early in the process of preparing their Bids or Proposals to obtain assistance identifying qualified and certified MBE and WBE firms. Direct requests to:

Alexander Buckles, Purchasing & Supplier Diversity Manager
E-Mail: abuckles@mccormickplace.com

SECTION VI. SUBMITTAL REQUIREMENTS

- a. Required Documents.** The following documents must be submitted to ASM GLOBAL with the Bid or Proposal:
1. **Schedule A: Affidavit of Bidders or Proposers Commitments.** The Bidder or Proposer must complete this form to warrant to ASM GLOBAL the Bidder's or Proposer's commitment to use specific MBE/WBE firms in performing the contract. Bidder or Proposer must detail a specific MBE/WBE plan on Schedule A and submit it along with the appropriate certification letters for all MBE and WBE firms in accordance with Section III. All Bidders and Proposers are required to submit a completed Schedule A. Any Bid or Proposal submitted without Schedule A and the relevant supporting documents will be rejected unless ASM GLOBAL deems it appropriate to grant a waiver in accordance with Section VIII.
 2. **Schedule B: Letter of Intent.** All MBE/WBE firms that will perform services under the contract must complete Schedule B to show the commitment between the Bidders or Proposers and each MBE/WBE participant. MBE and WBE firms that are party to a Joint Venture must also complete Schedule B.
 3. **Schedule C: Joint Venture Affidavit and Agreement.** All Joint Ventures must complete Schedule C. Where all of the Joint Venture parties are MBE and WBE firms, a copy of the Joint Venture agreement and Schedule B are required, but Schedule C is not required.
 4. **Schedule D-1 and D-2: Waiver Request and Unavailability Certification.** In the event that the Bidder or Proposer has been unable to identify any MBE/WBE firms to participate in the contract, Bidder or Proposer must complete these forms to demonstrate its Good-Faith Efforts to obtain MBE/WBE participation.

- 5. Changes.** Once approved by ASM GLOBAL, changes to Bidder or Proposer commitments certified in Schedules A- C are prohibited without prior written consent of ASM GLOBAL. Bidder or Proposer may request, in writing, to substitute or add a new MBE or WBE or change the percentages among the MBE/WBE firms identified in Schedule A due to unforeseen circumstances in order to fulfill the requirements of the contract. All such requests are subject to ASM GLOBAL's written approval, subject to the terms of the contract.

SECTION VII. COUNTING MBE/WBE PARTICIPATION TOWARD CONTRACT GOALS

a. Limitations. MBE and WBE participation generally counts toward MBE and WBE goals according to the total dollar value of the goods and services supplied by the certified MBE or WBE firm. Some restrictions to this general rule apply, as follows:

- 1.** Credit toward MBE/WBE commitments is only given for work by firms performing within their Area(s) of Specialty as stated in the current letter of certification. Firms acting as brokers are not eligible to be counted for credit.
- 2.** If a firm (including wholly-owned MBE/WBE Joint Ventures) is certified as both an MBE and a WBE, the Authority will determine whether to count the total dollar value of the contract toward the MBE or WBE goal, but not both at once.
- 3.** Only payments to firms performing Commercially Useful Functions under the contract with the Authority are counted towards MBE/WBE goals. Commercially Useful Functions include actually performing, managing, and supervising a clear element of the contract. The amount of work subcontracted, industry practices, and other relevant factors are considered.
- 4.** A MBE/WBE subcontractor is presumed not to perform a Commercially Useful Function when it subcontracts a significantly greater part of the contract than customary industry practice permits. MBE and WBE firms may present evidence to rebut this presumption.

b. Direct Participation.

- 1.** Full credit towards the MBE or WBE commitment may be received for the purchase price of materials and supplies if the materials and supplies are wholly consumed in the performance of a contract and:
 - A.** The MBE or WBE firm manufactures (i.e., fabricates from raw materials or substantially alters) the materials or supplies; or
 - B.** The contract or subcontract with the MBE or WBE firm calls for the firm to furnish and install the supplies or materials; or
 - C.** The MBE or WBE firm providing the materials or supplies performs some other Commercially Useful Function in the supply process (e.g., the MBE or WBE firm's Area of Specialty, as stated on the letter of certification, is a wholesale/retail distributor of the materials or supplies in question). ASM GLOBAL, in its sole discretion, shall determine whether the MBE or WBE firm performs a Commercially Useful Function.
- 2.** If the MBE or WBE subcontracts out any of its work:
 - A.** The full value of the portion of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.

- B.** None of the value of the work that an MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals.
- C.** The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, may be counted toward the Contract Specific Goals, provided that the fee or commission is determined by ASM GLOBAL to be reasonable and not excessive as compared with fees customarily allowed for similar services.

c. Materials and Supplies

- 1.** A Regular Dealer is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials, supplies, articles or equipment of the general character described by the specifications and required under the contract are bought, kept in stock, and regularly sold or leased to the public in the usual course of business. To be a Regular Dealer, the firm must be an established, regular business that engages, as its principal business and under its own name, in the purchase and sale or lease of the products in question. A firm may be a Regular Dealer in such bulk items as petroleum products, steel cement, gravel, stone, or asphalt without owning, operating, or maintaining a place of business if the firm both owns and operates distribution equipment for the products. Any supplementing of a Regular Dealer's distribution equipment shall be by a long-term lease agreement and not on an ad-hoc or contract by contract basis. Packagers, Manufacturer representatives, or other persons who arrange or expedite transactions are not Regular Dealers.
- 2.** A Contractor may count one hundred percent (100%) of its expenditures for materials and supplies required under the Agreement and obtained from an MBE or WBE Manufacturer toward its MBE or WBE participation goals.
- 3.** A Contractor may count sixty percent (60%) of its expenditures for materials and supplies required under the Agreement and obtained from a MBE or WBE Regular Dealer toward its MBE or WBE requirement

d. Joint Ventures

- 1.** A Joint Venture that includes MBE/WBE partners may count towards a Bidder or Proposer's Contract Specific Goals, provided, however, that the MBE or WBE partner(s) must:
 - A.** Be responsible for a clearly defined portion of the contract to be performed;
 - B.** Perform a Commercially Useful Function;
 - C.** Share in the capital contribution, control, management responsibilities, risks and profits of the Joint Venture are equal to its ownership interest;
 - D.** Execute the Bid or Proposal along with the other Joint Venture partners;
 - E.** Enter into a written Joint Venture agreement with the other Joint Venture partners that specifies the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and certifies that all such terms and conditions of the Joint Venture agreement are in accordance with Section VII(a)(1)-(3) above. Roles

assigned between the Joint Venture partners should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought.

2. If the conditions set forth in Section VII(d)(1) are met, credit for the Joint Venture will be applied in one (1) of the three (3) following manners:
 - A. If 51% or more of the ownership of the Joint Venture is held solely by MBE firms, or is held solely by WBE firms, then the Bidder or Proposer will receive credit for the full amount of the contract price towards the MBE or WBE commitment, respectively; or
 - B. If the Joint Venture includes both MBE and WBE firms, then the commitment to the MBE firm(s) will be counted towards the MBE goal, and the commitment to the WBE firm(s) will be counted towards the WBE goal; or
 - C. If the Joint Venture includes only MBE firm(s), or only WBE firm(s), and the MBE or WBE firm(s) own less than 51% of the Joint Venture, then the joint venture will be credited with the percentage of the contract price committed to the MBE or WBE firm(s).
3. A subcontract agreement between the Joint Venture and the MBE or WBE partner(s) to the Joint Venture clearly delineating the role of each firm in the performance of the contract must be included with the submission of the Bid or Proposal along with a Schedule A that has been completed by the Joint Venture and Schedule B that has been completed by all MBE/WBE firms.

SECTION VIII. GRANT OF RELIEF / REDUCTION OF MBE/WBE GOALS & WAIVER PROVISIONS

The Purchasing Manager shall determine whether the request for a reduction of MBE/WBE goals or waiver shall be granted. Bidder or Proposer may be considered responsive to the terms and conditions of these schedules only if a reduction or waiver request is submitted with the final Bid or Proposal submittal.

Failure to submit the request for reduction from the stated goals or waiver, sufficient to support the request for a reduction or to support the waiver request with the Bid or Proposal, will cause the Bid or Proposal to be found non-responsive by the Purchasing Manager, and the Bid or Proposal will be rejected by the Purchasing Manager.

- a. **Required Documents.** To obtain relief/reduction of MBE/WBE goals, a Bidder or Proposer must submit the following:
 1. A written request for reduction or waiver from the goals in the form of a signed petition submitted on the Bidder's or Proposer's letterhead;
 2. Copies of the letters on the Bidder's or Proposer's company letterhead sent to at least two (2) assistance agencies requesting assistance in locating MBE/WBE firms (include also a notarized statement certifying that the original of each letter to an assist agency was mailed on the date stated in each letter);
 3. Completed Schedules D-1 and D-2: Unavailability Certification for each MBE or WBE firm contacted for participation in the performance of the Bid or Proposal; and
 4. Evidence of Good-Faith Efforts as set forth in Section VIII(b) demonstrating that all required efforts were taken to secure certified MBE/WBE firms to meet the goals.

b. Good-Faith Efforts. The following are examples of good-faith efforts. The list is not intended to be exhaustive, and a Bidder or Proposer may present additional information or documentation as evidence of its Good Faith Efforts. ASM GLOBAL will review all such documentation on a case by case basis, but does not guarantee that documentation of the following factors will automatically qualify as Good Faith Efforts.

1. Having written affirmative action policies and demonstrating general success in implementing those policies.
2. Notifying assistance agencies in writing before Bids or Proposals are due to seek their assistance in identifying viable MBE and/or WBEs for specific work on a contract. (See Section XIV for a list of such agencies.)
3. The method, means, and date(s) by which the Contractor timely notified the MBE/WBEs of the potential for bidding or participation in the subject contract.
4. Documentation that the information Contractor provided to the MBE/WBEs about plans, specifications, requirements of the contract and scope of services was adequate to facilitate the MBE/WBE's ability to provide a substantive bid response to the Contractor.
5. Evidence that the Contractor selected portions of the work to be performed by an MBE/WBE in order to increase the likelihood of participation, including, where appropriate, breaking down contracts into smaller, economically feasible units.
6. If the Bidder or Proposer has directly negotiated with MBE and/or WBEs for subcontracts, the following items must be reported. A detailed statement of the efforts made to negotiate in good faith with MBE/WBEs showing:
 - A. The names, addresses and telephone numbers of the MBE/WBEs contacted;
 - B. A description of the plans and specifications provided to MBE/WBEs; and
 - C. A detailed statement of the reason(s) agreements with the MBE/WBEs were not possible;
 - D. A detailed statement of efforts made to select work for an MBE/WBE.
7. Whether the contractor deemed the MBE/WBE as unqualified on a bona fide basis consistent with legitimate industry standards.
8. The Bidder and/or Proposer must research MBE and/or WBE involvement beyond customary roles. (Affidavits must be submitted stating why MBE/WBE participation was not possible).
9. Assisting MBE and/or WBEs in overcoming participation barriers, for example, by helping firms obtain bonding or insurance coverage.

c. Price. Price alone is not an acceptable reason for rejecting an MBE/WBE subcontractor. The Bidder or Proposer must demonstrate that no MBE and/or WBE offered a reasonable price based on objective factors establishing that the quote is excessively costly. In order to establish that a subcontractor's quote is excessively costly, the Bidder or Proposer must provide the following information:

1. A detailed statement of the work identified for MBE/WBE participation for which Bidder or Proposer asserts the MBE/WBE quotes(s) was excessively costly (in excess of 10%).

2. A list of all potential subcontractors contacted for a quote on the relevant work or service to be performed by the subcontractors and the prices quoted for the subcontract in question.
3. Other documentation that demonstrates to the satisfaction of the Coordinator that the MBE/WBE proposals are excessively costly, even though not in excess of 10% than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
 - A. ASM GLOBAL's estimate for the work under a specific subcontract;
 - B. The Bidder's or Proposer's own estimate for the work under the subcontract;
 - C. An average of the bona fide prices quoted for the subcontract;
 - D. Demonstrated increase in other contract costs as a result of subcontracting to the MBE/WBE or other firm.

SECTION IX. IMPRACTICABILITY

If ASM GLOBAL, determines that a lesser MBE/WBE percentage goal is appropriate with respect to a particular contract subject to competitive bidding or issuance of request for proposals prior to the Bid or Proposal solicitations for such contract, Bid or Proposal specifications shall include a statement of such revised standard. This determination may be made in connection with a particular contract, whether before the contract is let for Bid or Proposal, during the Bid or Proposal or award process, before or during award of the contract, or during the performance of the contract.

SECTION X. RECORD KEEPING

Records of all relevant data must be maintained for at least five (5) years after the work is accepted or the contract with ASM GLOBAL ends whichever is later. ASM GLOBAL shall have access to Contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the Contractor's compliance with its commitment to MBE/WBE participation and the status of any MBE/WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the Contractor's records by any officer or official of ASM GLOBAL for any purpose.

SECTION XI. REPORTING REQUIREMENTS DURING THE TERM OF THE CONTRACT

The Compliance Monitoring System is available at: <https://mpea.diversitycompliance.com>. ASM GLOBAL will set up account access for the Contactor and all subcontractors following execution of the contract.

During the term of the contract, Contractor and all subcontractors will be responsible for submitting monthly reports to ASM GLOBAL via the Compliance Monitoring System according to the following schedule:

CONTRACTOR (PRIME)	Report all payment activity, including non-payments, to subcontractors for the prior month	15th day of each month
SUBCONTRACTOR	Confirmation of all payments received from prime Contractor	20th of each month

All subcontract agreements between the Contractor and MBE/WBE firms must contain language requiring the MBE/WBE to respond to notifications from ASM GLOBAL requiring the MBE/WBE firms to report payments received from a prime or a non-certified firm.

SECTION XII. EQUAL EMPLOYMENT OPPORTUNITY

Contractor shall comply with all applicable federal, state, and local Equal Employment Opportunity or Civil Rights laws, codes or ordinances, and regulations, and shall require compliance from all subcontractors.

SECTION XIII. ASM GLOBAL'S REMEDIES FOR NON-COMPLIANCE

Contractor acknowledges and agrees that the terms and conditions of these Special Conditions are material terms of the Bid or Proposal and that these Special Conditions including Affidavits A – D shall be incorporated by reference into Contractor's contract.

a. Material Breach. A material breach of the Special Conditions includes, but is not limited to, the following:

1. Contractor's failure to satisfy the MBE/WBE percentage goals required by the contract.
2. Contractor or subcontractor disqualification as an MBE or WBE when such status was a factor in contract award and was misrepresented by the Contractor. In the event that the Contractor is determined not to have been involved in any misrepresentation of the status of the disqualified subcontractor or supplier, the Contractor shall seek to discharge the disqualified subcontractor or supplier, report such disqualification to the Purchasing Manager, and make every effort to identify and engage a qualified MBE/WBE as its replacement.
3. Contractor or subcontractor failure to maintain MBE/WBE certification in good standing with the certifying agency.

b. Remedies. In the event of a material breach by Contractor, ASM GLOBAL may invoke any or all of the following remedies. These remedies are not intended to be exclusive of any other remedies available, and every remedy is cumulative and in addition to any other remedy existing now or later at law, in equity or under the contract.

1. Rejection of the Bid or Proposal.
2. Termination of the contract.
3. Deem Contractor non-responsive for future contracts with ASM GLOBAL.
4. Debarment of Contractor doing business with ASM GLOBAL.
5. Referral of Contractor to the appropriate certifying and/or law enforcement agency(ies).
6. Withhold payments due to the Contractor until corrective action is taken.
7. Contractor acknowledges that its failure to engage in Good Faith Efforts will harm the operations and reputation of ASM GLOBAL, which is difficult to determine and accurately specify. Accordingly, Contractor agrees that if ASM GLOBAL issues a notice to cure to Contractor with respect to Contractor's failure to exercise Good Faith Efforts, Contractor shall pay to ASM GLOBAL Five Thousand Dollars (\$5,000) as liquidated damages, not as a penalty, for each instance of such failure to cure, and each thirty-day period thereafter that Contractor fails to establish Good Faith Efforts consistent with the requirements of these Special Conditions. The liquidated damages provided herein shall be in lieu of all liability for any and all extra costs, losses, expenses, claims

penalties and all other damages of whatsoever nature incurred by ASM GLOBAL which are occasioned by any failure of Contractor to establish Good Faith Efforts consistent with these Special Conditions. Any payment due to ASM GLOBAL shall be deducted from the next payment due to Contractor under the contract and deposited in ASM GLOBAL's Affirmative Action Commitment Outreach Fund.

4. Standard of Performance. Supplier shall perform all activities as set forth in the Contract Documents with that degree of skill, care and diligence customarily required of a professional performing services of comparable scope, purpose and magnitude in the Chicago area, and in conformance with the applicable professional standards. Supplier shall at all times use its best efforts on behalf of ASM GLOBAL to assure timely and satisfactory rendering and delivery of the Supplies. Supplier and all of Supplier's employees or subcontractors providing Goods under this Contract shall be qualified and competent in the applicable discipline or industry, shall be appropriately licensed as required by law, shall comply with all City of Chicago, State of Illinois, and federal laws as applicable and shall conform to the terms of the Contract Documents and this Contract. Supplier remains responsible for the professional and technical accuracy of all Goods and other deliverables furnished, whether by the Supplier or others on its behalf. No review, approval, acceptance, nor payment for any and all of the Goods by ASM GLOBAL shall relieve the Supplier from its responsibilities.

5. Inspections and Approvals. The Goods purchased by ASM GLOBAL are subject to inspection and approval by ASM GLOBAL to determine compliance with the provisions of this Contract. Provided, under no circumstances shall such inspection relieve Supplier from any obligation set forth in this Contract, including, without limitations, all obligations mandated by law or industry safety requirements, or latent defects. Further, such inspection is for the purpose of determining the quality and completeness of the Goods, including materials used, and is not for the purpose of determining compliance with applicable laws or industry safety requirements.

(a) Any or all portions of the Goods not accepted will be returned to Supplier at Supplier's expense for a full credit or refund, or at the option of ASM GLOBAL, Supplier shall be required, at its sole risk and expense, to correct or replace such Goods with conforming Goods within such time as ASM GLOBAL may require, *provided, however*, that such corrected or rejected Goods shall not be converted or replaced by Supplier without written authorization from ASM GLOBAL. Any Goods corrected, replaced, or repaired by Supplier shall be subject to any warranties and other terms of this Agreement. If Supplier fails to correct or replace any nonconforming Goods promptly after notification and authorization from ASM GLOBAL, ASM GLOBAL may correct or replace such Goods and charge Supplier for the cost incurred by ASM GLOBAL and/or set-off the cost hereunder at the sole discretion of ASM GLOBAL. Payment for any Goods ordered hereunder prior to inspection and approval shall not constitute acceptance thereof and is without prejudice to any and all claims that ASM GLOBAL may have against Supplier.

(b) Goods determined by ASM GLOBAL to be compliant with this Contract shall be accepted upon proper delivery.

- 6. Delivery.** Time is of the essence in the performance of this Contract. Unless otherwise provided herein or as otherwise specified at time of order, Goods shall be delivered in conformance with the specifications within forty eight (48) hours. If the delivery of Goods is not completed by the time set forth in this Agreement, ASM GLOBAL reserves the right, without liability, in addition to its other rights and remedies, to terminate this Agreement by written notice as provided herein, as to stated Goods not yet shipped, and to purchase substitute Goods elsewhere and charge Supplier with any damages incurred, whether special, direct, indirect, incidental, or consequential. All such damages shall be paid by Supplier and payment shall be remitted no later than seven (7) days from the date of the communicated damage or damages. If at any time Supplier believes it may be unable to comply with any delivery term, Supplier shall immediately notify ASM GLOBAL in writing as to the delay and shall continue to update ASM GLOBAL as to the delay. In the event of Supplier's failure to comply with the delivery terms for any reason, ASM GLOBAL may, in addition to its other remedies hereunder, require Supplier at Supplier's expense to ship the Goods via air freight or expedited routing to avoid or minimize delay.
- 7. Shipping.** Unless otherwise set forth on Exhibit 1 or any Purchase Order delivered by ASM GLOBAL hereunder, all costs, fees, and expenses arising in connection with the delivery and shipment to ASM GLOBAL of the Goods and/or Additional Goods shall be borne by Supplier. Supplier guarantees that all merchandise now being sold or delivered to ASM GLOBAL will be, at the time of its delivery as required by this Agreement, packaged, marked, labeled, and shipped in accordance with all applicable federal, state, and local statutes, regulations, ordinances, and orders. All shipments must be packed in a manner that will provide for efficient handling and prevent damage in transit. Goods must conform to the description, quantity, and other specifications set forth in this Agreement.
- 8. Risk of Loss.** The risk for loss shall remain with the Supplier until any Goods that may be required to be delivered pursuant to this Contract or the Contract Documents are delivered to ASM GLOBAL in accordance with the terms hereof. Supplier shall carry on the work of furnishing and delivering the Goods at Supplier's own risk and expense until the same is fully completed and accepted by ASM GLOBAL and shall be solely liable and responsible for the safety and security thereof.
- 9. Supplier Representations and Warranties.** Supplier hereby represents and warrants to ASM GLOBAL, and agrees as follows:

 - (a) Supplier warrants that it is fully staffed, equipped, trained and otherwise capable to perform this Contract. Supplier further represents that, by its own independent investigation it has ascertained the nature of the Goods required, the conditions involved in delivering the Goods, and Supplier's obligations under this Contract. Supplier is responsible to verify all information furnished by ASM GLOBAL as to the correctness and accuracy of that information. Any failure by Supplier to investigate independently and become fully informed will not relieve Supplier from its responsibilities under this Contract;
 - (b) Supplier warrants that all Goods provided (a) shall be of good quality and workmanship, and that all materials furnished will be new unless otherwise specified in the Contract Documents or specifically approved in writing by ASM GLOBAL, (b) shall be merchantable, (c) shall be free from faults, deficiencies, and defects, both latent and patent, (d) shall be delivered free of the rightful claim of any person by way of infringement or the like and free of any security interest, lien or encumbrance or the like, (e) shall comply with all City of Chicago, State of Illinois, and Federal laws applicable to the Goods, and (f) shall conform to the terms of this Contract. Without limitation to the foregoing, Supplier warrants that all Goods provided shall be free from defects in materials and workmanship for a period of at least 12 months from the date of final acceptance by ASM GLOBAL; or such time as provided in the Contract Documents; or such time as provided in any manufacturers, producers, suppliers or other warranty; whichever is longer;
 - (c) The Supplier further warrants that it is either the original manufacturer of the Goods and is capable of providing genuine parts, assemblies and/or accessories, or is capable of transferring and/or assigning

original warranties to ASM GLOBAL. ASM GLOBAL may return any nonconforming or defective Goods to Supplier or require replacement of the materials at the time the defect is discovered, all at the Supplier's expense. Supplier must replace any nonconforming or defective Goods within ten (10) days of notification from ASM GLOBAL's designated representative. Acceptance of Goods by ASM GLOBAL by payment shall not relieve Supplier of the responsibilities herein;

- (d) Supplier warranty shall survive the termination or expiration of this Contract;
- (e) Supplier has the full power and authority to enter into this Agreement and perform each of its obligations hereunder;
- (f) There is no party which has a lien on, security interest in, or claim to the Goods; and
- (g) No litigation or pending or threatened claims or litigation exist which do or might adversely affect Supplier's ability to fully perform its obligations hereunder or the rights granted by Supplier to ASM GLOBAL under this Agreement.

10. Compensation. Supplier shall deliver to ASM GLOBAL an invoice upon delivery of the Goods. Supplier shall receive compensation in the amount and schedule as set forth on Exhibit 2. All invoicing and requests for payment shall be in such form and with such documentation as required by ASM GLOBAL. Under no circumstances shall the Compensation exceed the agreed upon pricing set forth in Exhibit 2 without a prior written amendment to this Contract.

- (a) It is understood that the prices set forth in Exhibit 1 are firm prices for the term of this Agreement.
- (b) Most Favored Nations: The Supplier shall provide prices for Goods at a rate not greater than the rate offered to the State of Illinois or any other unit of local government. In the event that the Supplier agrees to provide Goods to the State of Illinois or any other unit of local government at a rate lower than that then in effect under this Agreement, Supplier shall offer to adjust the price to ASM GLOBAL accordingly.
- (c) The Supplier shall submit invoices for payment to ASM GLOBAL upon delivery of the Goods, indicating the Goods provided and all authorized reimbursable expenses.
 - (i) Payment will be made on the basis of approved invoices and such supporting documentation as ASM GLOBAL may require.
 - (ii) If ASM GLOBAL objects to all or any portion of any invoice, it shall promptly notify Supplier of its objection and both parties shall immediately make every effort to promptly settle the disputed portion of the invoice. In the event the settlement of a disputed portion of an invoice is not reached by the date that payment authorization is due, then ASM GLOBAL shall pay only that portion of the invoice that is not in dispute.
 - (iii) Neither the initial payment nor any later progress payment constitutes acceptance of the Goods or any deliverables provided under this Contract.
 - (iv) No additional or altered terms and conditions shall be included with the invoice except as are permitted and consistent with the terms of the Contract Documents.
- (d) Supplier shall be solely responsible to ensure that any of its sub-contractors and sub-suppliers are timely paid all amounts due them in connection with the performance of this Contract. After the first partial payment under the Contract, ASM GLOBAL may withhold later partial payments until Supplier submits

evidence satisfactory to ASM GLOBAL that all amounts Supplier owes in connection with performance of this Contract have been paid. Further, ASM GLOBAL is entitled, after giving notice to Supplier, to pay all persons who have not been paid the monies due to them in connection with the Contract, whether or not a claim or lien has been filed, unless Supplier, within ten (10) calendar days after notice is given either (i) demonstrates to ASM GLOBAL's reasonable satisfaction that these sums are not due or (ii) provides ASM GLOBAL adequate security.

(e) Each Party shall have the right to set-off and net against any amounts owed to it by the other Party under this Contract, including without limitation any termination payment.

11. Taxes. The Contract prices include all applicable federal and state taxes in effect as of the Effective Date. The acquisition of supplies and materials under this Contract is to be completed in a manner that, to the extent permitted by law, such purchase is exempt from taxes, including manufacturers' and retailers' state sales and occupation taxes. Upon the request of the Supplier ASM GLOBAL shall provide a copy of the appropriate tax exemption certificate with respect to such excluded taxes.

(a) If, after the Effective Date, there shall be imposed or charged any tax other than a tax upon the income of the Supplier and said imposition or charge shall be made applicable directly on the use, production, manufacture, sale, or transportation of the items covered hereby, which is applicable to the Supplier because of a specific contractual obligation or by the operation of law, and ASM GLOBAL is not otherwise exempt from such tax, then:

(i) The Contract Prices herein stated shall be accordingly adjusted and any amount due to the Supplier as a result of the adjustment in such prices shall be charged to ASM GLOBAL and entered upon such invoices as a separate item; or,

(ii) At its option, when exempt from the payment of such tax, ASM GLOBAL, in lieu of payment of such increase shall furnish to the Supplier appropriate tax exemption certificates or furnish other proof of exemption with respect to such tax or charge.

(b) If the Supplier is relieved from the payment of any tax imposed, or portion thereof, included in the Contract Prices herein stated, by reason of the decrease or elimination of such tax, the Supplier shall promptly submit to ASM GLOBAL a statement showing the amount of such decrease or elimination and the Contract Prices herein stated shall be adjusted to reflect such decreases or elimination.

12. Coordination. Supplier shall coordinate its activities with ASM GLOBAL's contractors, suppliers, tenants, customers and Suppliers, if any, so no delays or interference will occur in completion of any part or all of ASM GLOBAL's projects or operations.

13. Clean Condition. The Supplier shall, at all times, keep MPEA premises free from accumulations of waste materials or rubbish caused by its employees or work and shall remove all its rubbish at the completion of its work to the total satisfaction of ASM GLOBAL. Use of ASM GLOBAL's open boxes is not permissible. Supplier must provide open boxes and/or trucks for hauling of debris as part of their services. All debris must be hauled off site at the Supplier's expense.

14. Assigned Personnel. On signing this Agreement, and subsequent thereto as changes in personnel are made, Supplier shall identify the person on Supplier's staff who will serve as day to day liaison for the Supplier. Supplier shall assign and maintain a staff of dedicated and competent personnel that is fully equipped and qualified. Provided, ASM GLOBAL shall have the right to review and approve such personnel selections, and may reject any such personnel at any time whenever ASM GLOBAL, in its sole and unlimited discretion, determines that such personnel is not qualified or otherwise unfit for such work.

15. Report Review and Audit Privileges. ASM GLOBAL shall have the right, but not the obligation, to inspect all records of the Supplier in relation to the Goods under this Contract. Supplier shall make such records reasonably available to ASM GLOBAL, including its authorized representatives. Supplier shall keep and preserve, for at least three (3) years following the sale of each and every Good and Additional Goods hereunder, full and accurate accounting records relating to such Good. Supplier shall give ASM GLOBAL and its designated representatives (which representatives may include, without limitation, independent auditors) access to such records during such period of time to review and/or audit the records, from time to time, upon request. Supplier shall also provide, at Supplier's own expense, copies of all or a portion of the records when so requested by ASM GLOBAL. In the event any audit conducted by an independent auditor demonstrates a variance of more than five percent (5%) on an annual basis in the amount determined by such auditor to represent the fair purchase cost of any Good or Additional Good purchased hereunder and the amount actually paid to Supplier for such Good or Additional Good, Supplier shall pay to ASM GLOBAL the reasonable cost of such audit. In any event, Supplier shall promptly pay to ASM GLOBAL the amount of any such variance which results in an overpayment by ASM GLOBAL to Supplier.

16. Insurance. Supplier shall procure and maintain at all times during the term of this Contract and at Supplier's expense, the insurance coverage set forth in Exhibit 3 – Insurance Requirements, and shall provide ASM GLOBAL with original certificates evidencing the required coverage. Supplier's insurance policies shall name the following as additional insured on all certificates of insurance: "Metropolitan Pier and Exposition Authority, its trustee, facilities, agents, officers, board members, employees, ASM GLOBAL and Suppliers". Supplier's duty to indemnify ASM GLOBAL is independent from, and not limited in any manner by, Supplier's insurance coverage obtained pursuant to this Section or otherwise.

17. Indemnification.

- (a) Supplier shall, at its sole cost and expense, indemnify, defend, and hold harmless ASM GLOBAL, Owner, and their agents, officials, employees, and consultants (individually referred to as "Indemnified Party" and collectively as, the "Indemnified Parties") against all injuries, deaths, losses, damages, claims, suits, liabilities, judgments, costs and expenses, of any kind and nature, including but not limited to reasonable attorney fees and expert witness fees, which may in any way accrue against any such Indemnified Party (collectively, for purposes of Indemnification, referred to as the "Loss") in consequence of this agreement or the performance thereof, or which may in any way result therefrom, whether or not it shall be alleged or determined that the Loss arose from (i) Supplier's failure to comply with any and all federal, state, foreign, local, and municipal regulations, ordinances, statutes, rules, laws, and constitutional provisions applicable to Supplier's performance of this Agreement; (ii) any unlawful acts on the part of Supplier or its officers, directors, agents, employees, or subcontractors; (iii) personal or bodily injury to or death of persons or damage to the property of ASM GLOBAL or Owner to the extent caused by the negligent acts, errors, and/or omissions or the willful misconduct of Supplier or its officers, directors, agents, employees, or subcontractors; (iv) personal or bodily injury to or death of persons or damage to the property of ASM GLOBAL, Owner or the other ASM GLOBAL Parties as a result of any use or sale of the Goods and/or Additional Goods, whether or not the Supplier is the manufacturer of such Goods and/or Additional Goods or, (v) the material breach or default by Supplier or its officers, directors, agents, employees, or subcontractors of any provisions of this agreement.
- (b) Supplier shall, at its own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith, regardless of the merit of such claim. If any judgment shall be rendered against such Indemnified Party in any such action, Supplier shall, at its sole cost and expense, satisfy and discharge the same. Supplier expressly understands and agrees that the insurance required by this Agreement or the other related documents of any Indemnified Party or Supplier, or otherwise provided by Supplier or such Indemnified Party shall in no way limit the responsibility to indemnify, defend and hold harmless the Indemnified Parties as herein provided.

- (c) Supplier's defense, indemnification and hold harmless obligations to any Indemnified Party will remain an affirmative obligation of Supplier unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.
- (d) Supplier's indemnification obligation set forth herein shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for Supplier under workers' compensation acts, workers' occupational disease acts, disability benefit acts, or other employee benefit acts or insurance policy coverage. To the extent permissible by law, Supplier waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due pursuant to Supplier's obligations under this Article, including any claim by any employee of Supplier that may be subject to the Workers' Compensation Act, 820 ILCS 305/1 *et. seq.*, or any other law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The Indemnified Parties, however, do not waive any limitations they have on liability under the Illinois Workers' Compensation Act, the Illinois Local Government and Governmental Employees Tort Immunity Act, or any other statute.
- (e) The provisions set forth in this Section shall survive the termination of this Agreement.

18. Equal Employment Opportunity/Non-Discrimination and Minority and Women Owned Business Enterprise Goals.

- (a) **Equal Employment Opportunity/Non-Discrimination.** Throughout the term of this Contract, Supplier agrees as follows:
 - (i) Supplier will comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.*, and the rules and regulations of the Illinois Department of Human Rights ("IDHR") and all other applicable federal, state and local laws, rules and regulations which prohibit unlawful discrimination and discrimination based on citizenship status in employment and undertake affirmative action to assure equality of employment opportunity and eliminate the effects of past discrimination.
 - (ii) Supplier, in performing its obligations under this Contract shall comply with the procedures and requirements of the Illinois Department of Human Rights' (IDHR) regulations concerning equal employment opportunities and affirmative action.
 - (iii) Provide such information, with respect to its employees and applicants for employment, and assistance as ASM GLOBAL and the IDHR may reasonably request.
 - (iv) Supplier shall have written sexual harassment policies that shall include those requirements as set forth by the IDHR:
 - (v) Supplier will send to each labor organization or representative or workers with which it has or is bound by a collective bargaining or other Contract or understanding, a notice advising such labor organization or representative of Supplier's obligations under the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.*, and the IDHR's rules and regulations. If any such labor organization or representative fails or refuses to cooperate with Supplier in its efforts to comply with such Act and rules and regulations, Supplier will promptly so notify the IDHR and ASM GLOBAL, and will recruit employees from other resources when necessary.
 - (vi) Supplier further agrees that it shall not commit an unfair labor practice.

- (vii) Supplier shall include, verbatim or by reference, the provisions of this Section in every contract it awards under which any portion of its obligations under this Contract are undertaken or assumed, so that such provisions shall be binding upon each such sub-Supplier. Supplier shall be responsible and liable for compliance with the pertinent provisions of this Section by such sub-Suppliers, and, further Supplier shall promptly notify ASM GLOBAL and IDHR if any sub-Supplier fails or refuses to comply therewith. In addition, Supplier will not utilize any sub-Supplier declared ineligible by IDHR or the Illinois Human Rights Commission for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.
 - (viii) In the event of Supplier's non-compliance with any provision of this Section, the Illinois Human Rights Act, or the rules and regulations of IDHR, Supplier may be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Contract may be canceled or voided, in whole or in part, or such other sanctions or penalties that may be imposed or remedies invoked as provided by law.
- (b) **Minority and Women Business Enterprise Goals.** ASM GLOBAL has adopted and maintains an affirmative action program with respect to its contracts. The purpose of ASM GLOBAL's affirmative action program is to promote the ability of Minority Business Enterprises ("MBE") and Women-Owned Business Enterprises ("WBE") to have the maximum possible opportunity to participate in ASM GLOBAL contracts. As a minimum, ASM GLOBAL strives to ensure that, for Goods necessary for the performance of this Contract, 25% of total contract amount is payable to MBE firms and 5% of the total contract amount is payable to WBE firms. Unless and only to the extent ASM GLOBAL grants an expressed waiver, Supplier shall comply with the Special Conditions Regarding Minority and Women-Owned Business Enterprises, as outlined in Exhibit 5, throughout the term of this Contract.
- (i) **Compliance.** As part of its review and approval of Contractor's monthly payment requests, ASM GLOBAL will monitor Contractor's performance to reasonably satisfy itself that Contractor will meet its commitment and use its good faith efforts to achieve the maximum MBE/WBE allocation. In order for ASM GLOBAL to ensure that Contractor complies with its MBE/WBE commitment, Contractor shall submit certified monthly statements with its invoices that include information on the level and scope of MBE and WBE participation in monetary terms as well as a description of the Services provided by each MBE and WBE.
 - (ii) **Remedies for Noncompliance.** In the event Contractor fails to fulfill its obligations under this Section 18, ASM GLOBAL shall have available to it appropriate remedies at law or in equity, including the right to withhold amounts due to Contractor for any Work until Contractor submits a corrective action plan which has been approved by ASM GLOBAL or demonstrates to ASM GLOBAL's satisfaction that all good faith efforts to comply with the goals set forth herein have been exhausted, together with the ability to disqualify Contractor from future work that may, from time to time, be undertaken by ASM GLOBAL as well as all unfinished Work on the Project.

19. Default and Termination.

- (a) **Termination for Convenience.** ASM GLOBAL has the right to terminate this Contract, in whole or in part, for any reason, including the convenience of ASM GLOBAL, by providing Supplier with written notice specifying the date of termination. On the date specified in the notice, this Contract will terminate. ASM GLOBAL will pay Supplier the amount earned or reimbursable to it (if any) up to the termination date. After termination, Supplier has no further claim against ASM GLOBAL based upon this Contract.

- (b) **Termination for Cause.** This Contract may be terminated if an event of default occurs. The following constitute events of default by Supplier:
- (i) Refusal of failure to provide sufficient properly skilled workers, adequate supervision, or adequate materials and equipment of proper quality;
 - (ii) Failing in any material respect to deliver the Goods according to ASM GLOBAL's schedule;
 - (iii) Causing, by an action or omission, the stoppage or delay of or interference with the services or work of any employee or other Supplier or subcontractor;
 - (iv) Failure to comply with any provision of this Contract or the Specifications described in the IFB, including, but not limited to matters pertaining to insurance, indemnification and MBE/WBE use;
 - (v) Becoming insolvent, making a general assignment for the benefit of its creditors, or having a receiver appointed;
 - (vi) Inability to deliver the Goods under the Contract as a result of insolvency, bankruptcy, or having a receiver appointed;
 - (vii) Conviction in a criminal court or finding of liability in civil court relating to the Goods or involving fraud or misconduct adversely affecting any governmental entity;
 - (viii) Any other acts or omissions specifically identified in this Contract as an event of default.
- (c) **Curable and Incurable Defaults.** Time-sensitive defaults (e.g. failure to meet deadlines) are not curable unless ASM GLOBAL, in its sole and absolute discretion extends the deadline; an extension, however, does not relieve Supplier of liability for any damages ASM GLOBAL suffers on account of Supplier's failure to meet required deadlines. Supplier must cure any default that is not time sensitive within ten (10) calendar days after Supplier is given notice of the default in accordance with the terms of this Agreement. In the event a default cannot be reasonably cured within ten (10) calendar days after notice, in the sole opinion of ASM GLOBAL, Supplier must begin to cure the default promptly within the ten-day period and continue diligent efforts to complete the cure until accomplished.
- (i) ASM GLOBAL, in its sole discretion, shall determine whether a default is material and whether it can be cured. In the event ASM GLOBAL determines that an event of default can be cured, it shall provide Supplier with notice setting for the event of default and cure requirements, including the time period permitted for cure. Supplier shall cure any event of default as provided in the notice.
 - (ii) If Supplier fails to cure a default as provided in the notice, ASM GLOBAL may, at its sole option, declare Supplier in default. ASM GLOBAL will give Supplier written notice of the default and ASM GLOBAL's termination of this Contract. ASM GLOBAL's decision is final and takes effect when notice is given or such time as set forth in the termination notice. Supplier shall discontinue all activities under this Agreement, unless otherwise directed in the notice, and deliver all materials accumulated in performing under this Contract, whether completed or in the process, to ASM GLOBAL.
- (d) **Remedies.** In the event of default, ASM GLOBAL may invoke any or all of the following remedies. These remedies are not intended to be exclusive of any other remedies available. Rather, every remedy is cumulative and in addition to any other remedies, existing now or later at law, in equity or under the Contract.

- (i) The right to acquire Goods from an alternate source. Supplier shall pay all additional costs incurred by ASM GLOBAL.
 - (ii) The right to terminate this Contract as to any or all of the Goods yet to be performed effective at a time specified by ASM GLOBAL.
 - (iii) The right to monetary damages.
 - (iv) The right to deem Supplier non-responsive in future contracts to be awarded by ASM GLOBAL.
 - (v) The right to take assignment of any or all of Supplier's subcontracts and acquire the Goods, by itself or through others, by whatever method ASM GLOBAL considers expedient.
 - (vi) The right to set-off against any sums owing Supplier.
 - (vii) Such other remedies as permitted by law.
- (e) No delay or omission to exercise any right or power occurring upon any event of default impairs the right or power nor is it a waiver of or acquiescence in any event of default. Every right and power may be exercised from time to time and as often as ASM GLOBAL considers expedient.
- (f) In a court of competent jurisdiction determines that ASM GLOBAL wrongfully terminated Supplier, then the termination shall be treated as a termination for convenience.

20. Cooperation. The Parties shall cooperate in good faith to implement the terms of this Contract. At such time as this Contract is terminated or expires, the Parties shall undertake in good faith efforts to assure an orderly transition to another provider of the Goods, if any. Supplier shall make an orderly demobilization of its own operations, provide, uninterrupted, the Goods until the effective date of termination or expiration, and otherwise comply with the reasonable requests and requirements of ASM GLOBAL in connection with the termination or expiration.

21. Authority's Proprietary Rights.

- (a) **Names and Logos.** Owner owns all rights to the name "Navy Pier," "Navy Pier Chicago," certain Navy Pier and McCormick Place likenesses, and to certain logos and service mark(s). Supplier shall not use the Navy Pier or McCormick Place name as part of Supplier's business or trade name, and Supplier shall not use Owner's logos or service marks or sell merchandise with the Navy Pier or McCormick Place name or likeness or with Owner's logos or service marks without the Owner's express written consent. Also, Supplier shall not permit anyone else to do so.
- (b) **Sponsorship Program.** In addition, Owner has entered into Contracts to grant exclusive sales or advertising rights ("Sponsorship Contracts") to certain products, brands or services ("Official Brands") on Owner's property. Accordingly, to the extent permitted by law Supplier shall not advertise, promote, or display at any competing products, brands, or services at the facilities, including through displays or signs in or on any equipment, visible through or on any windows facing onto any part of the facilities or in advertisements, promotional material, or displays referring to facilities or utilizing (if Owner has not given its express written consent to it) Owner's logos or service marks. Supplier shall not interfere with Owner's sponsors' events.

22. Confidentiality.

- (a) All reports, data or information in any form prepared, assembled or encountered by or provided to Supplier under this Contract are confidential, and Supplier shall not disclose these (or make them available) to any other individual or organization without the prior written approval of ASM GLOBAL, except as specifically authorized in this Contract or as may be required by law. Supplier shall implement whatever measures are necessary to ensure that its staff and its sub-Suppliers are bound by these confidentiality provisions.
- (b) Supplier shall not issue publicity news releases or grant press interviews, or, except as may be required by law during or after the performance of this Contract, disseminate any information regarding its Goods or the project to which the Goods pertain without the prior written consent of ASM GLOBAL.
- (c) If Supplier is presented with a request for documents by any administrative agency or with a *subpoena duces tecum* regarding any records, data or documents that are in Supplier's possession by reason of this Contract, Supplier shall immediately give notice to ASM GLOBAL with the understanding that ASM GLOBAL will have the opportunity to contest the process by any means available to it before the records or documents are submitted to a court or other third party. Supplier, however, is not obligated to withhold delivery beyond the time ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended

23. Changes. No changes to this Contract are effective unless in a written amendment signed by the authorized representatives of the parties.

24. Assignment and Subcontracting.

- (a) ASM GLOBAL may assign this Agreement upon 30 days written notice to the Supplier. Provided, any assignee shall be obligated to provide written acceptance and commitment to be bound by all terms and conditions as set forth herein. Upon such assignment, ASM GLOBAL shall be relieved from any further liability or obligation under this Agreement, it being understood that the assignee shall have all of ASM GLOBAL's rights, duties and obligations. In the event of such assignment, the term "ASM GLOBAL" as used herein shall mean the assignee.
- (b) Supplier shall not assign or subcontract this Agreement, or any part thereof, without the prior written consent of ASM GLOBAL which consent may be granted, denied or conditioned in the sole, unfettered discretion of ASM GLOBAL.

25. Covenants. Supplier hereby covenants as follows:

- (a) Supplier shall not occupy or use the Facility, nor shall interfere with the activities of the Facility, except as is reasonably necessary to perform its obligations hereunder.
- (b) Supplier shall not cause or permit any Hazardous Material to be used, stored, or generated on, or transported to and from the Facility. "**Hazardous Material**" shall mean, without limitation, those substances included within the definitions of "hazardous substances", "hazardous materials", "toxic substances", or "solid waste" in any applicable state or federal environmental law.
- (c) Supplier shall not make any alterations or improvements to the Facility without the prior written consent of ASM GLOBAL.
- (d) Supplier shall not operate any equipment or materials belonging to ASM GLOBAL or Owner without the prior written approval of ASM GLOBAL.

(e) No portion of any passageway or exit at the Facility shall be blocked or obstructed in any manner whatsoever, and no exit door or any exit shall be locked, blocked, or bolted while the Facility is in use. Moreover, all designated exitways shall be maintained in such manner as to be visible at all times.

26. Accuracy and Update of Information. In connection with this Agreement, Supplier has furnished and will continue to furnish various certifications, affidavits and other information and reports. Supplier represents that any such material and information furnished in connection with the IFB or this Agreement is truthful and complete. Supplier shall promptly update such material and information to be complete and accurate as needed due to events or changes occurring after the date of this Agreement.

27. Notices. Any notice, consent, or other communication given pursuant to this Agreement shall be in writing and shall be given by e-mail, by personal delivery, by United States registered or certified mail, or by a courier service with all delivery and postage charges paid. A notice shall be considered effective either (i) when delivered personally or via e-mail to the party for whom intended, (ii) upon delivery by an overnight courier service that is generally recognized as reliable, and the written records maintained by the courier shall be prima facie evidence of delivery, or (iii) on delivery (or attempted delivery) by certified or registered mail, return receipt requested, postage prepaid, as of the date shown by the return receipt; in any case addressed to such party as set forth below or as a party may designate by written notice given to the other party in accordance herewith.
